Hey Juan,
Here are the people who called for you today.

A constituent by the name, [REDACTED] called in concerned about his neighborhood. He believes a renter is selling drugs out of their home on 12183 Memphis Ave. He also says that they are excessively loud, blaring music all the time. Armando said he was in contact with the Sylmar SLO Sgt. Carter (I'm not sure if he meant Crawford). He wants to know what we can do to help/who to point him to because he believes his entire neighborhood is fed up. His contact information is as follows:

[REDACTED] called about parking on a street in Sylmar. She did not leave any more information except her phone number [REDACTED]. She would like to schedule a meeting with you, preferably on Monday.
